## Building Effective Teams

No matter how smart, talented, driven, or passionate you are, your success depends on your ability to build and inspire a team. This course will ensure you do just that!

### Overview

The understanding and implementation of what makes an effective team is essential to get the best from your team members. By completing this 1-day course, you will build an awareness of what a team is and how you manage the characteristics and individuals within that team.

### Who is it for?

Line managers/team leaders and anyone in a team building role

### Workshop objectives

By the end of this workshop you will be able to:

- Identify, understand and develop the stages in team development
- Implement effective team building strategies to improve your team's performance.
- Identify the roles that are present within teams and what this means for you as a leader and for your team.

### Course topics

- What is a team?
- Stages of team development
- Belbin team roles
- Working with other teams
- Lessons from Geese
